

# Youth Class Fee Waiver Application

## Purpose

In collaboration with USD 348, this program provides vulnerable youth in preK-12th grade a fee waiver to participate in classes offered by the Lumberyard Arts Center. A limited number of full tuition waivers are available. The waivers are awarded on a first come, first serve basis. In order to spread the waivers to serve as many children as possible, we limit the number of waivers per child to one class a semester (fall, spring, summer). Class fee waivers are made possible through generous corporate sponsorship from Mid America Bank and individual donors through the Douglas County Community Foundation's "Giving for Good" program.

## Vulnerable Youth

Vulnerable youth are defined in an all-encompassing view to include: socio-economic, behavioral, social/emotional, and underserved populations.
